BANKERS FOR SALARY AND PENSION ACCTS : JCOs/OR AND VETERANS

1. While interacting with serving pers and veterans it has come to the notice that most of the problems/observations/madequacies which lead to harassment/dissatisfaction of account holders is due to number of small/insignificant bankers/Treasury Offices etc. When the concerned personnel approach them again and again, their grievances still remain unresolved.
2. It is therefore pertinent and imperative on part of the Org to educate our troops to select bankers who are prompt in services with wide network and follow Govt policy to render accurate services on major issues like pay and alices, pensions (including revisions) etc. The major stakeholders in this area are State Bank of India and Punjab National Bank.
3. In view of the above, it is advisable that serving personnel and Veterans may be advised to choose major bankers i.e SBI and PNB for their salary and pension. Also pensioners should immediately change over accounts from Treasury Offices to Banks.
