Five Worth the Drive

By Mario Cutajar

Jet Propulsion Laboratory's Open House
May 19–20—Mars may be out of reach even for the wealthiest traveler, but the next best thing, JPL's Marscape, is no farther away than Pasadena. At the lab's annual event, visitors can view current and experimental Mars rovers on simulated terrain, look at the latest batch of photos snapped by JPL spacecraft, and learn what NASA is discovering about planets beyond the solar system. Actual rocket scientists lead visitors through the exhibits and answer questions. *Jet Propulsion Laboratory, Pasadena. (818) 354-0112; jpl.nasa.gov/psa/oh.cfm.*

Championship Off-Road Racing
May 19–20—Trucks and cars that look like dune buggies on steroids roar, leap, throw up clouds of dust, and career around the weightless toys at this second off-road event of the CORR series. There are races in six vehicle classes, ranging from Single (single seat) Buggy to Pro 4 (four-wheel-drive) Truck. Fans can get up close views of race vehicles, watch pit crews in action, and meet the drivers. Access to the pits is open to the public and included in the price of admission. *Fairplex, Pomona. Tanaka Farms Strawberry Tours
Through June 30—Yes, there are strawberry fields in Irvine, as visitors find out on this one-hour farm tour. Parents and children ride in a wagon pulled by a tractor and learn how more than 30 varieties of fruits and vegetables (from green beans to squash) are grown. At the end of the tour, kids can hop off and pick their own strawberries. When everyone's had their fill, they can stop by the produce stand and stock up for later. *Tanaka Farms, Irvine. Star Wars Celebration IV
May 25–28—Fans can meet the force behind the Force at this event. Stars (of the celebrity kind) from all six *Star Wars* movies—including Carrie Fisher (Princess Leia), David Prowse (Darth Vader), and Anthony Daniels (C-3PO)—celebrate the 30th anniversary of the release of the first *Star Wars* movie over Memorial Day weekend. Other draws include exhibits of movie props and costumes, a fan filmfest, a droid parade, and a sneak preview of an upcoming TV series. *Los Angeles Convention Center, Los Angeles.
